

Help Us Make Christmas Brighter for Children & Families in Our Community

As we approach the festive season and prepare for the year ahead, we are incredibly grateful for the ongoing support we receive from our community. If you've been thinking about supporting IFYS, IFYS Foster Care, Urban Angels Community Kitchen or Inclusive Kids this year, thank you, your kindness truly makes a difference.

Every day, we walk alongside children, young people and families doing it tough, and as Christmas approaches, your generosity helps us bring a little hope, dignity and joy to those who need it most. This year, there are a few simple ways you can help us support families and ensure this Christmas begins with confidence and care for the children we serve:

Small Gifts for Families

Every gift counts. Items for mums, dads, children and young people allow our team to bundle thoughtful gift packs for families. A small present from you becomes a moment of joy for someone who may otherwise go without.

Gift Cards for Young People

Gift cards empower young people to choose something they need or love, whether it's clothing, toiletries, or a special treat. The independence and dignity this provides cannot be underestimated.

Non-Perishable Food Items

Pantry staples and festive treats allow us to create food hampers to help families enjoy a Christmas meal and feel the warmth of community support.

Back-to-School Support

Items like backpacks, lunch boxes, pencil cases and stationery help ensure children starting school in 2026 can walk through the gates on day one feeling just like everyone else, prepared, confident and excited for the year ahead.

A Small Gift, a Big Impact

No single item is too small. When each of us offers just a little, our staff can pool donations, mix and match items and build meaningful gift packs that bring smiles and ease stress for families facing hardship.

Together, we will work tirelessly to make Christmas a little brighter and to support children, young people and families to thrive in the year to come.

Thank you for standing with us, for caring deeply and for helping us provide hope where it's needed most. Our community is stronger because of you.

With gratitude,
